

BENNY`S FROM HEAVEN

On one hand, the band name is an allusion to the jazz song and same-named film "Pennies from Heaven" by and with Bing Crosby.

On the other hand, Benny Goodman was the „King of Swing“, and to the repertoire which he used to play, this band has devoted itself with much passion to revive this great music. Unforgettable melodies such as "Stompin 'at the Savoy", "Lady Be Good", "Memories of You" and many, many more. Ear candy à la absolute superlative, let's dance !
